

## Canada Celebrates the Scouts and Guides

This exhibit illustrates many of the slogan machine cancels and hand stamps used by Canada Post to honour the Boy Scouts and Girl Guides in Canada. It includes some of the auxiliary markings such as registration and other miscellaneous markings that occurred to these covers. These cancellations were typically used in one city or very few cities

The machine cancels include the "Brotherhood" and "Fraternite" series of cancellations used in the 1960's and early 1970's. These were used to honour Baden Powell's birthday of February 22, who was the Founder of Scouting. These slogans were used in up to 18 cities across Canada but only selected ones of each year will be shown in this exhibit. This evolved into what is now known as Scout/Guide Week or Guide /Scout Week in alternating years - the week starting and ending on a Sunday with Feb. 22 in it.

There are no known spray cancellations honouring Scouting or Guiding in Canada.

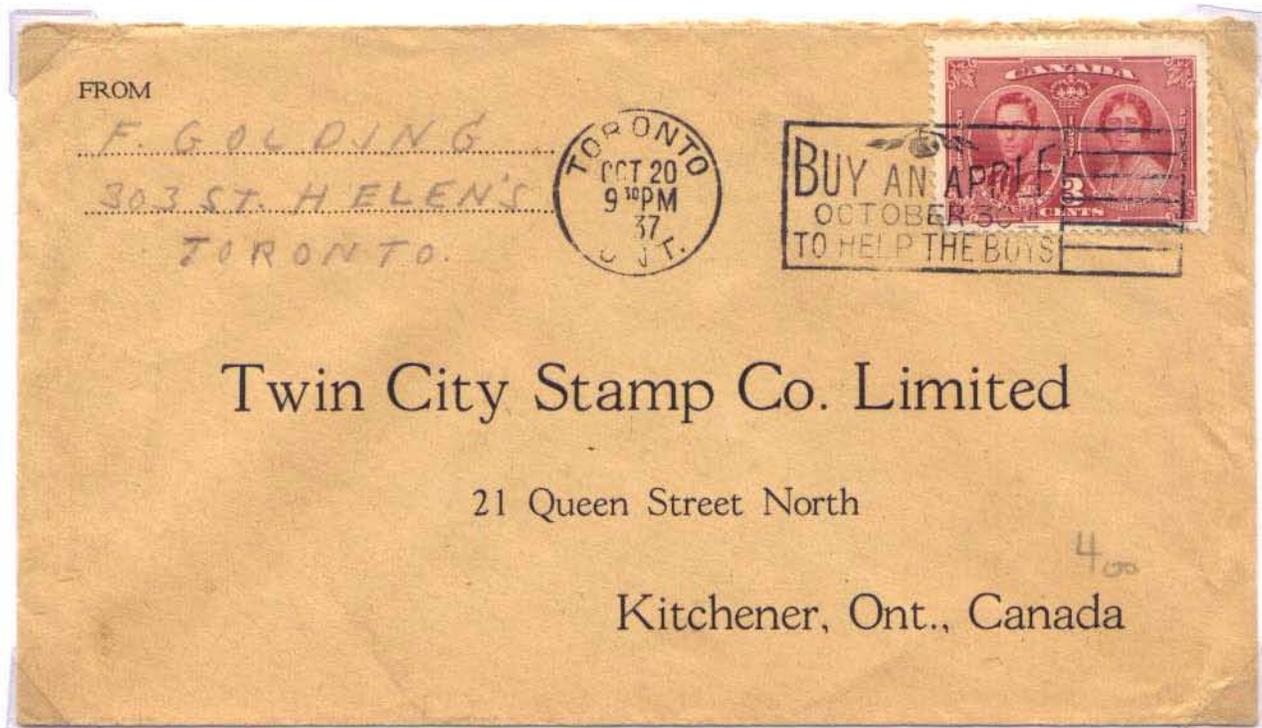

The earliest known date (EKD) and latest known date (LKD) of usage is indicated where appropriate. For multiple cities usage, the dates shown are for the slogan as a whole and not a particular city. Some of the hand cancels such as the 1974 Quebec Jamboree do not have changeable dates, but just show a period of usage such as Aug. 17 to Aug. 24. Typically all cancels were used for less than a month. Significant items are highlighted by a red box.

The exhibit is arranged in a rough chronological order as follows:

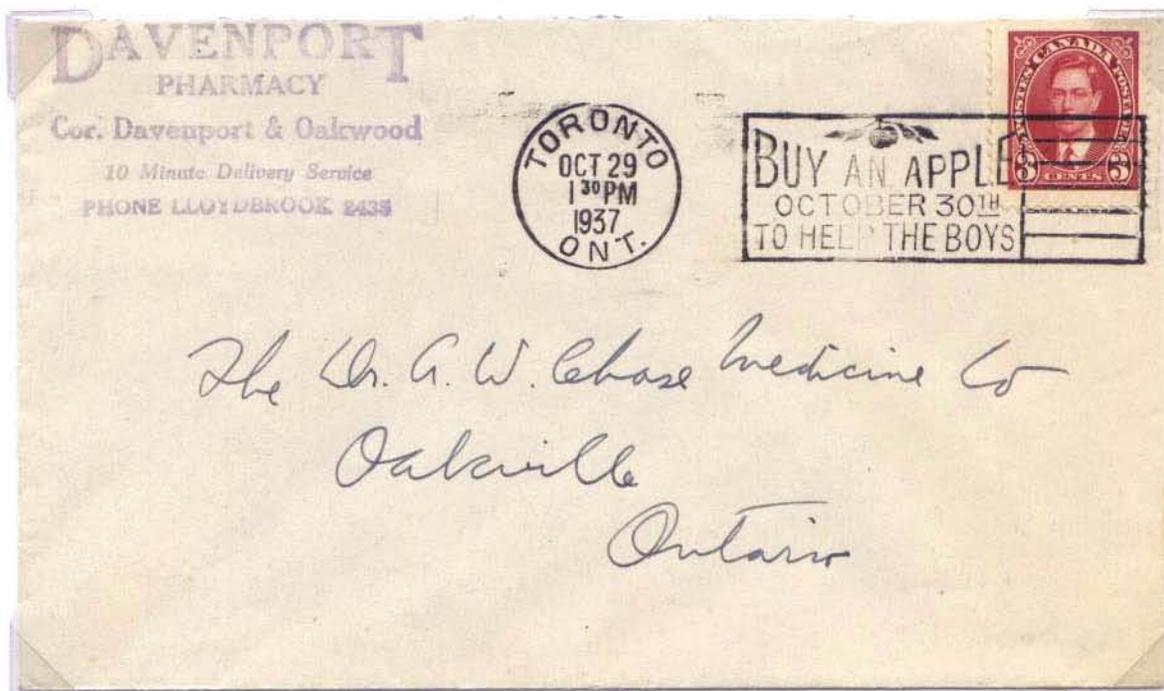

- **The Early Years 1937-1955** - includes the Apple Day slogans and the first World Jamboree held in North America. Pages 2 - 5
- **The Brotherhood Period 1956-1971** - a large number of cities used the Brotherhood slogans plus many other Scout and Guide slogans. Pages 6 - 33
- **The Later Machine Cancels** - various Provincial Jamborees and Guide camps plus Polish Scouting and Girl Guide cookies. Pages 34 - 40
- **1983 World Jamboree** - includes rare trial strikes and related events. Pages 41 - 45
- **The Hand Cancels 1974 - present** - includes Jamborees, Guide camps, Beaver sleepovers, conferences, SOSSI and the 100th anniversary of Scouting. Pages 46 - 80

# World Jamboree 1983

THE SPIRIT LIVES ON!

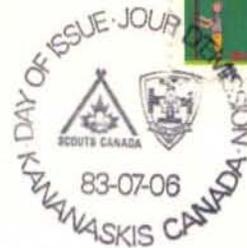

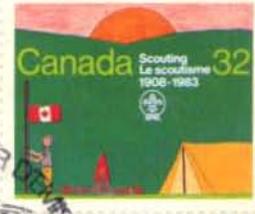

L'ESPRIT REIGNE ENCORE!

The "75" cancel was used throughout the Jamboree and symbolized the celebration of the 75th anniversary of World Scouting which started in 1907. This celebration started in 1982 and culminated in the World Jamboree.

The First Day cancel for the Scout stamp issued to honour the 75th anniversary of Scouting was used both as a hand stamp applied at the Jamboree and as a machine cancel applied in Ottawa. The two Canadian Scout Organizations are honoured on this cancel - Scouts Canada and Les Scouts du Canada.

## World Jamboree 1983

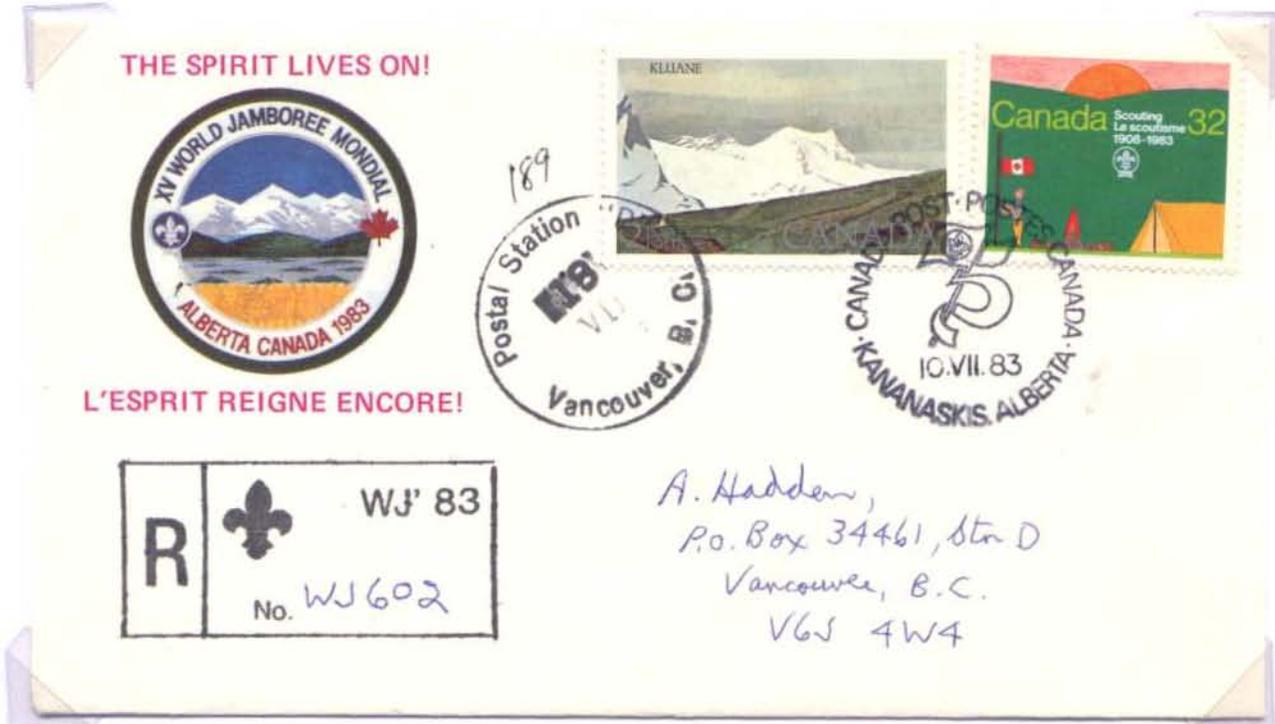

A post card based on the design of the scout stamp was also issued by Canada

### Unique Trial Strike

These trial strikes are part of a sheet of the only known copies in private hands. These were obtained at a planning meeting with Canada Post where the final cancel design was approved by Canada Post and Scouts Canada. Note that in the final design "Kananaskis Park" was changed to "Kananaskis" due mainly to bilingual considerations.

**World Jamboree 1983**

This cover shows the regular registration stamp applied at the World Jamboree used on July 4, 5 and 7 to 15.

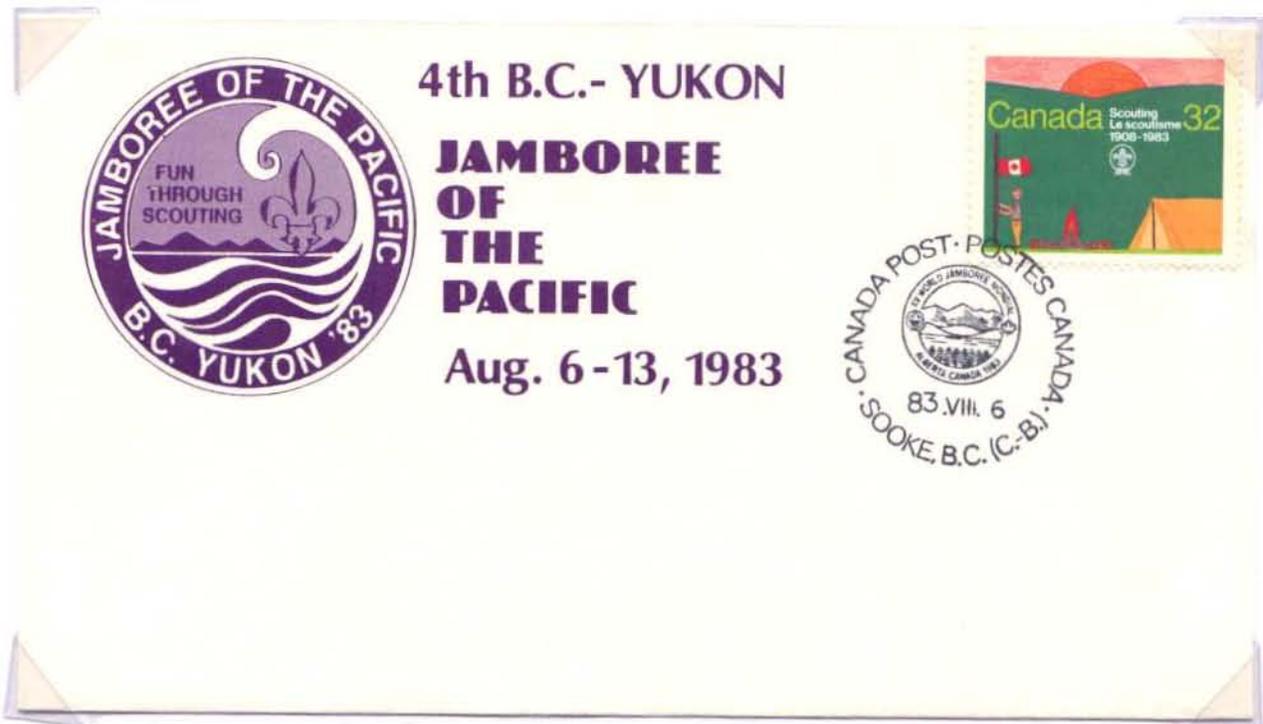

On the First Day of Issue of the Scout stamp, the registration stamp used red ink instead of the regular black ink. The numbering sequence continued from the beginning of the Jamboree.

World Jamboree 1983

On July 16, the final day of the Jamboree, the registration hand stamp was used in blue ink. For some unknown reason, the Jamboree cancel was not used but the Calgary registration office corrected the error.

World Jamboree 1983

The B.C. - Yukon Provincial Jamboree was held in the month after the World Jamboree and incorporated the World Jamboree crest in the design of the cancellation. EKD Aug. 6, LKD Aug. 13.

The Lithuanian Scouts in exile also had a Jamboree in Canada and used the above slogan in blue ink. EKD July 31, LKD Aug. 12 on a Pitney-Bowes machine.

## Hand Cancels

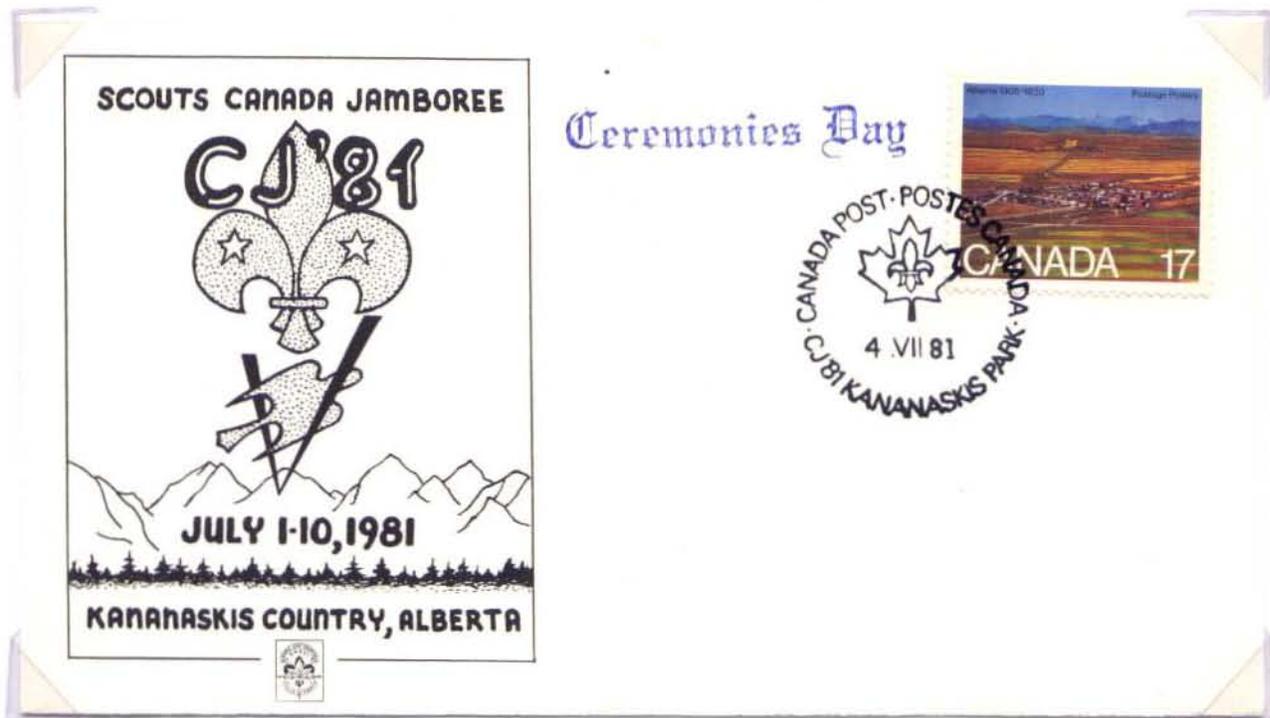

The large **81** in this cancel was due to the date stamp kits that came with the cancellers only went up to 1980. This 81 was obtained from Canmore Post Office from an extra parcel canceller and cut down to fit since a replacement couldn't arrive until the second day of the Jamboree. This was only used on the first day (July 1)- subsequent days had the correct font.

## Hand Cancels

The normal cancel above with the new style year, month, day alignment was used for the balance of the Jamboree as shown on the above cover (July 2, 3, 5 to 10). On Ceremonies Day July 4 the third canceller with a day, month, year set up was used.

## Hand Cancels

CJ'89 or the 1989 Canadian Jamboree used a canceller with no date since the date slugs were not supplied with the canceller. In spite of various people advising the Canada Post clerks that this was contrary to postal regulations, mail for the whole Jamboree contained no dates as this registered cover indicates. Note that the registration uses the new self adhesive labels with a printed "R" and a bar code that is used in conjunction with a scanner for better tracking. The Jamboree was from July 15 to July 23.
