American Association of Philatelic Exhibitors
Illinois Postal History Society • Missouri Postal History Society
Scouts on Stamps Society

The Polonus Polish Philatelic Society is pleased to be a convening society at the St. Louis Stamp Expo 2018. Founded in Chicago as a local club, Polonus is now the world's leading English language society dedicated to the study and promotion of Polish philately.

Poland's geographical location and its turbulent history over the past three centuries provides many opportunities for philatelists. Positioned at the epicenter of two world wars, and other conflicts, Poland's borders were frequently redrawn. It's historical background provides the basis for a multitude of diverse collecting interests and specialization from the pre-stamp era to the present day.

Please visit the Polonus Society Table (lobby) and the Polonus Annual Membership Meeting (March 17, 1pm, Heathrow). This is an excellent opportunity to learn more about Polonus and becoming a member. As special incentive for joining Polonus at this show, you will receive receive a copy of the Polonus 75th Anniversary Catalogue.
